# HOW TO REACH LOVETT'S NURSERY, Inc.

The office of Lovett's Nursery, Inc., is located on Church Street, Little Silver, N. J., directly East of the shopping center, approximately one mile from the Little Silver depot, two miles from Red Bank, forty miles from New York City, and five miles from Long Branch. To reach it from New York City, take the Pennsylvania Railroad (33rd Street and 7th Avenue), or the Central Railroad of New Jersey (foot of Liberty Street). From Philadelphia, take the Pennsylvania Railroad. In all cases get tickets to Red Bank. We shall be pleased to have you met at Red Bank depot, providing we are advised of your plans at least one day in advance of your anticipated arrival.

If driving from New York, enter New Jersey Turnpike at George Washington Bridge, or at exit of Holland or Lincoln Tunnel, leaving the Turnpike at Station No. 11 at Woodbridge, and take State Highway No. 35, or enter Garden State Parkway at George Washington Bridge, or at exit of Holland or Lincoln Tunnel, leaving Parkway at Red Bank, Interchange No. 109, take Newman Springs Road to Highway No. 35, and thence to Little Silver. If driving from the South, leave New Jersey Turnpike at Station No. 8 at Hightstown, New Jersey, and take Route No. 33, or leave Garden State Parkway at Eatontown, Interchange No. 105, and take Highway No. 35 to Shrewsbury.

The facilities of the Red Bank Airport are available to those who travel by air.

## Terms and Conditions of Sale

The prices published in this list cancel those in all previous lists. They are based on present market conditions and are subject to change without notice.

**WARRANTY—Lovett's Nursery, Inc.,** warrants to the extent of the purchase price that nursery stock sold is true-to-name and as described within recognized tolerances. Seller gives no other or further warranty, expressed or implied, and will, under no circumstances, be liable for more than the invoice value at the time of purchase. A Certificate of Inspection is attached to each shipment.

**GRADING**—All of our stock is graded according to, or above, the Standards of the American Association of Nurserymen.

**PRICES**—These prices apply only to orders placed by bona fide Nurserymen, Florists and Dealers, and refer to stock dug bare root unless offered as being dug balled and burlapped. Not less than 5 of a variety and size will be supplied at the 10 rate, not less than 25 at the hundred rate, and not less than 250 at the thousand rate, except when less than 5 of a variety and size are ordered, a 10% additional charge above prices listed for lots of 10 will be added, and Hardy Perennials, Page 55.

**SPECIAL SELECTION**—All stock, when specially selected on the Nursery, will be sold at prices commensurate with the value of the specimens chosen.

**PACKING**—All stock is carefully packed in boxes or bales, for which a charge will be made based on actual cost of packing material used. This packing charge will apply to orders which have been paid for in advance of shipment, as well as charge orders. After delivery to forwarders, all articles travel at the risk of the purchaser, and if loss or delay occurs, the carriers alone are responsible.

**CLAIMS**—If claims are made upon receipt of goods they will be carefully and cheerfully examined and adjusted. Any claims made 15 days or more after receipt of goods will not be entertained.

**TERMS**—30 days net, 2% discount 10 days, from date of shipment. Interest at 6% per annum to be paid after maturity. These terms are offered to those of established credit. Cash, security, or satisfactory references are required from customers not known to us. C.O.D. orders must be accompanied by 25% of the purchase price. When ordering please use printed stationery or enclose business card.
